DevaRaj A

Full Stack Python Developer | Django Expert

📞 +91 95855-02916   @ devasaiyan14@gmail.com   🔗 https://deva-cv.netlify.app   📍 Chennai

SUMMARY

I am a driven Full Stack Developer with a strong proficiency in Python and Django, specializing in crafting intuitive and responsive web applications. As a self-taught developer, I have cultivated my skills through consistent learning and practical project experience. I am committed to writing clean, efficient code and keeping up with the latest trends in the industry. My objective is to continually evolve as a developer, contribute to meaningful projects, and design seamless digital experiences that foster enhanced user engagement.

SKILLS

HTML   CSS   BOOTSTRAP   JAVASCRIPT

React Js   Next Js

PYTHON   DJANGO

SQL   Git

EDUCATION

BE - Computer Science Engineering

Roever Engineering College

📅 2020 - 2024   📍 Perambalūr, India

EXPERIENCE

Junior Python Developer

Freelancer

Lead in developing Python-based applications using Django framework
- Implemented ORM to significantly improve codebase resulting in 60% faster query execution
- Installed and configured RDBMS/ SQL to support a large-scale application
- Conducted integration testing and bug fixes drastically improving releases

Trainee Python Developer

Roever Engineering College

Involved in coding, bug fixing, and designing Python-based applications
- Assisted in developing foundational web design concepts, ensuring user-friendly interfaces.
- Implemented Object-Relational Mapping (ORM) to improve code maintainability and database interactions.
- Strengthened Object-Oriented Programming (OOP) principles for better code structure and reusability.

PROJECTS

TVK - Perambalur

📅 11/2024

TVK Members Login is a Django-powered project focused on secure user authentication and management. It allows members to register, log in, and access restricted content with robust session handling and password validation. User credentials are securely stored in a database, and the admin panel provides tools for efficient user management and access control.
